**FIRST INTERIM FEE APPLICATION OF
KLEINBERG, KAPLAN, WOLFF & COHEN P.C. AS COUNSEL TO THE
STATE OF WASHINGTON AND OTHER STATES FOR ALLOWANCE OF
COMPENSATION FOR SERVICES RENDERED AND REIMBURSEMENT OF
EXPENSES INCURRED FOR THE PERIOD OF SEPTEMBER 16, 2019
THROUGH AND INCLUDING APRIL 30, 2022**

1. Kleinberg, Kaplan, Wolff & Cohen, P.C. (“Kleinberg Kaplan” or the “Firm”), counsel to the State of Washington and, at times, to the States of Connecticut, Delaware, Oregon, Rhode Island, Vermont and the District of Columbia (collectively, the “States”), hereby submits its first interim application (the “Application”), pursuant to the Court’s *Order Pursuant to 11 U.S.C. §§ 105 and 363(b) Authorizing and Approving Settlement Term Sheet* dated March 10, 2022 (Dkt. # 4503) (the “Settlement Approval Order”), Rule 2016 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), Rule 2016-1 of the Local Bankruptcy Rules for the Southern District of New York (the “Local Rules”) and the Court’s *Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses for Retained Professionals* dated November 21, 2019 (Dkt. # 529), requesting interim allowance of compensation for services

rendered to the States for the time period September 16, 2021 through and including April 30, 2022 (the “Compensation Period”) and for reimbursement of expenses reasonably incurred in connection therewith.

2. This application has been prepared in accordance with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Interim Compensation Order, the Settlement Approval Order, the Amended Guidelines for Fees and Disbursements for Professionals in the Southern District of New York Bankruptcy Cases (February 5, 2013) promulgated pursuant to Local Rule 2016-1(a) (the “Local Guidelines”) and the United States Trustee’s Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330 for Attorneys in Large Chapter 11 Cases effective as of November 1, 2013 (the “U.S. Trustee Guidelines” and, together with the Local Guidelines, the “Fee Guidelines”). A certification regarding compliance with the Guidelines is annexed hereto.

3. Kleinberg Kaplan has endeavored to include all applicable time and disbursement charges for the Compensation Period. However, to the extent that time or disbursement charges for services rendered or disbursements incurred relate to the Compensation Period, but were not processed prior to the preparation of this Application, Kleinberg Kaplan reserves the right to request additional non-duplicative compensation for such services and reimbursement of such expenses in a future application.

4. Washington has been given the opportunity to review this Application and has approved the compensation and reimbursement of expenses requested herein.

JURISDICTION AND VENUE

5. This Court has jurisdiction over this Application pursuant to 28 U.S.C. §§ 157 and 1334, and the Standing Order of Referral of Cases to Bankruptcy Court Judges of the District Court

for the Southern District of New York dated July 10, 1984. Consideration of this Application is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2).

6. Venue in this Court is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

BACKGROUND

A. The Chapter 11 Cases

7. On September 15, 2019 (the “Petition Date”), Purdue Pharma LP and affiliates (“Purdue”) each filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. Purdue continue to operate its businesses as debtors in possession pursuant to Bankruptcy Code sections 1107(a) and 1108. The Purdue chapter 11 cases (the “Chapter 11 Cases”) are jointly administered for procedural purposes only. No trustee or examiner has been appointed in the Chapter 11 Cases other than Stephen D. Lerner, the Examiner pursuant to the June 21, 2021 *Order Appointing an Examiner Pursuant to 11 U.S.C. § 1104(c)* [ECF No. 3048], the *Notice of Appointment of Examiner* [ECF No. 3063], and the June 29, 2021 *Order Approving Appointment of Examiner* [ECF No. 3078].

B. Retention of Kleinberg Kaplan

8. In September 2019 Kleinberg Kaplan was retained by the State of Washington to represent it in connection with the Chapter 11 Cases and the Adversary Proceeding (defined below).

9. During the summer of 2021 Kleinberg Kaplan was retained by the State of Oregon and the District of Columbia for representation in connection with their litigation (with Washington) of objections to the confirmation of Purdue’s proposed plan of reorganization.

10. In October 2021 Kleinberg Kaplan was retained by the States of Connecticut, Delaware, Rhode Island, Vermont, and Washington to represent them in connection with their appeals from the Purdue confirmation order (the “Appeal Representation”).

11. Since the District Court’s reversal of the Purdue confirmation order Kleinberg Kaplan has represented only the State of Washington before the Court of Appeals and this Court in connection with the Chapter 11 Cases and the Adversary Proceeding.

C. Appointment of Fee Examiner

12. On April 8, 2020, the Court entered the *Order Authorizing Appointment of Independent Fee Examiner Pursuant to 11 U.S.C. § 105(a) and Modifying Interim Compensation Procedures for Certain Professionals Employed Pursuant to 11 U.S.C. § 327* dated April 8, 2020 (Dkt. # 1023), appointing David M. Klauder, Esq. as fee examiner (the “Fee Examiner”). On May 26, 2020, the Court authorized the retention of Bielli & Klauder, LLC as counsel to the Fee Examiner. See *Order Authorizing the Retention and Employment of Bielli & Klauder, LLC as Counsel to the Fee Examiner, Nunc Pro Tunc to the Appointment Date* dated May 26, 2020 (Dkt. # 1182).

D. The Settlement Approval Order

13. On March 10, 2022, this Court issued its Settlement Approval Order which, among other things, approved Purdue’s agreement, as set forth in a Proposed Settlement Term Sheet submitted by Purdue (Dkt. # 4410, Ex. B) (the “Term Sheet”), to pay or reimburse the States’ reasonable attorneys’ fees and expenses, subject to the terms of the Interim Compensation Order. In the Settlement Approval Order, the Court further directed that the “standard for authorization of payment of the attorneys’ fees and expenses of each of the [States] shall be whether such fees and expenses are (a) reasonable and documented and (b) reimbursable under the Term Sheet.” (Dkt. # 4503, ¶ 4.)

E. Monthly Fee Statements

14. On March 31, 2022, Kleinberg Kaplan filed and served the *First Monthly Fee Statement of Kleinberg, Kaplan, Wolff & Cohen, P.C. as Counsel to the State of Washington and*

Other States for Compensation for Services and Reimbursement of Expenses Incurred for the Period of September 16, 2019 through February 28, 2022 dated March 31, 2022 (Dkt. # 4616) (the “First Monthly Fee Statement”), pursuant to which Kleinberg Kaplan sought payment of (i) \$1,676,881.20 (80% of \$2,096,101.50 as compensation for professional services rendered and (ii) \$88,674.10 for reimbursement of expenses. Because there had been no basis for Kleinberg Kaplan to submit fee applications prior to the entry of the Settlement Approval Order the First Monthly Fee Statement covered the entire period starting with September 2019. Kleinberg Kaplan did not receive any objections to its First Monthly Fee Statement and has not yet received payment in respect thereof.

15. On April 28, 2022, Kleinberg Kaplan filed and served the *Second Monthly Fee Statement of Kleinberg, Kaplan, Wolff & Cohen, P.C. as Counsel to the State of Washington for Compensation for Services and Reimbursement of Expenses Incurred for the Period of March 1, 2022 through March 31, 2022* dated April 28, 2022 (Dkt. # 4709) (the “Second Monthly Fee Statement”), pursuant to which Kleinberg Kaplan sought payment of (i) \$178,492.48 (80% of \$223,115.60) as compensation for professional services rendered and (ii) \$751.61 of expenses. Kleinberg Kaplan did not receive any objections to its Second Monthly Fee Statement and has not yet received payment in respect thereof.

16. On May 13, 2022, Kleinberg Kaplan filed and served the *Third Monthly Fee Statement of Kleinberg, Kaplan, Wolff & Cohen, P.C. as Counsel to the State of Washington for Compensation for Services and Reimbursement of Expenses Incurred for the Period of April 1, 2022 through April 30, 2022* dated May 13, 2022 (Dkt. # 4782) (the “Third Monthly Fee Statement” and, together with the First Monthly Fee Statement and Second Monthly Fee Statement, the “Monthly Fee Statements”), pursuant to which Kleinberg Kaplan sought payment

of (i) \$92,473.28 (80% of \$115,591.60) as compensation for professional services rendered and (ii) \$22.30 of expenses. Kleinberg Kaplan has not yet received any objections to its Third Monthly Fee Statement and has not yet received payment in respect thereof.

**SUMMARY OF PROFESSIONAL COMPENSATION
AND REIMBURSEMENT OF EXPENSES REQUESTED**

17. Through this Application, Kleinberg Kaplan requests allowance of interim compensation for professional services rendered to the States during the Compensation Period in the amount of \$2,434,808.70 and expense reimbursements of \$89,448.01. During the Compensation Period, Kleinberg Kaplan professional and paraprofessionals expended a total of 2,820.70 hours for which compensation is sought.

18. The fees charged by Kleinberg Kaplan in the Chapter 11 Cases are billed in accordance with Kleinberg Kaplan's existing billing rates and procedures in effect during the Compensation Period. The rates charged by Kleinberg Kaplan for the services rendered by its professionals and paraprofessionals in the Chapter 11 Cases are substantially the same rates Kleinberg Kaplan charges for professional and paraprofessional services rendered in comparable non-bankruptcy related matters.¹ The rates charged by Kleinberg Kaplan are reasonable based on the customary compensation charged by comparably skilled practitioners in comparable non-bankruptcy cases in a competitive national legal market. The disclosures required by the U.S. Trustee Guidelines regarding customary and comparable compensation are annexed hereto as **Exhibit A**.

19. Kleinberg Kaplan maintains computerized records of the time spent by all Kleinberg Kaplan professionals and paraprofessionals in connection with its representation of the

¹ By agreement with Washington Kleinberg Kaplan charged a discounted rate for the work of its professionals and paraprofessionals in 2022.

States in the Chapter 11 cases. A summary of compensation by timekeeper is attached hereto as **Exhibit B**. The itemized time records for Kleinberg Kaplan professionals and paraprofessionals performing services for the States during the Compensation Period were filed and served with the Monthly Fee Statements in accordance with the Interim Compensation Order and are attached hereto as **Exhibit E**. Throughout the Compensation Period, Kleinberg Kaplan maintained an internal system for recording time by category. A summary of compensation by each such category is attached hereto as **Exhibit C**.

20. Kleinberg Kaplan also maintains records of all actual and necessary out-of-pocket expenses incurred in connection with the rendering of its professional services. A summary of the categories of expenses and amounts for which reimbursement is required through this Application is attached as **Exhibit D**.

**SUMMARY OF SERVICES PERFORMED BY
KLEINBERG KAPLAN DURING THE COMPENSATION PERIOD**

21. The services rendered by Kleinberg Kaplan on behalf of Washington and the other States were actual, performed at the request of Washington and/or the other States, and commensurate with the complexity and significance of this matter. The nature of the issues in the Chapter 11 Cases and the appeals and the need to act or respond to such issues on an expedited basis required the expenditure of substantial time by Kleinberg Kaplan professionals and paraprofessionals during the Compensation Period.

22. The following is a summary of the professional services rendered by Kleinberg Kaplan during the Compensation Period. Principally because reimbursement of Kleinberg Kaplan's fees and expenses was authorized only recently, through the Settlement Approval Order and the nature of the services for which Kleinberg Kaplan was retained do not correspond closely with those set forth in the Fee Guidelines, Kleinberg Kaplan did not employ a system for recording

time by project category for its representation of Washington and the other States during the Compensation Period. Rather, Kleinberg Kaplan professionals and paraprofessionals contemporaneously recorded their time by matter. These matters included, among others, objections to the plan of reorganization proposed by Purdue (“Confirmation Objections”), objections to the adversary proceeding commenced by Purdue on September 18, 2019, *captioned Purdue Pharma L.P. v. Commonwealth of Massachusetts*, Adv. Pro. No. 19-8289 (Bankr. S.D.N.Y. 2019) (the “Adversary Proceeding”) and from time to time renewed by Purdue; motions for stay pending appeal; and the States’ appeal to the District Court of this Court’s September 17, 2021 Confirmation Order. The following summary is organized by category, with a general description of the services performed within each category set forth below.

23. The following summary is not intended to be, and is not, an exhaustive itemization of the Firm’s services rendered on behalf of Washington and the other States during the Compensation Period. That granular level of detail is supplied by the Firm’s invoices, copies of which were exhibited to the Monthly Fee Applications and are attached here as **Exhibit E**.²

² The attached invoices contain minor non-substantive corrections from those submitted with the Monthly Fee Statements. These corrections have no bearing on the amount of compensation or expenses for which Kleinberg Kaplan seeks allowance, and relate solely to identification of the matters to which a limited number of tasks were billed and the removal of duplicative entries.

24. Time billed to this category corresponds principally to (i) services performed by Kleinberg Kaplan professionals and paraprofessionals in connection with the Confirmation Objections before the Bankruptcy Court as well as to certain aspects of the States' appeal of this Court's Order confirming the Plan, (ii) review of the proof of claim submitted by Washington and other states, (iii) participation in court-ordered mediation, (iv) negotiations with Purdue and the Sacklers resulting in the Term Sheet and the settlement contemplated therein, (v) documentation of that settlement, and (vi) preparation for Purdue's appeal to the Court of Appeals. The services encompassed by this category were performed over an extended period of time and included a multi-faceted set of tasks and projects. Most of the services billed to this category commenced in June 2021.

25. Included within this category is extensive time spent over the course of June and July 2021 preparing and filing a written objection to the Plan. In connection therewith, Kleinberg Kaplan professionals and paraprofessionals performed a number of ancillary tasks including, among other things, corresponding extensively with other objecting States, with co-counsel, and with attorneys representing a number of other stakeholders in the Chapter 11 Cases; reviewing an array of documents including iterations of the proposed Plan, the disclosure statement, and iterations of the proposed settlement between Purdue and the Sacklers, as well as many other documents filed during the course of the Chapter 11 Cases; and performing extensive legal research.

26. Also billed to this category was substantial time spent by Kleinberg Kaplan professionals and paraprofessionals in July and August 2021 preparing intensively for the confirmation hearing. Preparation for the hearing included a number of tasks and projects, including but by no means limited to identifying potential exhibits for use at the hearing, preparing

for the deposition and testimony of the States' expert witness William Hyrcay, formulating responses to objections to Mr. Hyrcay's testimony, reviewing the testimony of the plan proponents' fact and expert witnesses, preparing questioning and oral argument outlines, coordinating with co-counsel, negotiating evidence stipulations with other parties in interest, conferring internally and with opposing counsel on a variety of issues and performing extensive legal research on issues including issues that could be relevant in a potential appeal and participating in the confirmation hearing.

27. Time billed to this category also includes services rendered in connection with preparation of draft briefs and other tasks performed in connection with the district court appeal of this Court's Confirmation Order prior to the commencement of the Appeal Representation or identified as outside the scope of this agreement. Time spent on tasks related to the appeal pursuant to this agreement was billed to Matter 003 and is summarized below.

28. This category encompasses substantial time spent in connection with the mediation following the entry of the District Court order vacating the confirmation order and the round-the-clock negotiations that grew out of the mediation. It includes the concurrent preparation of a Second Circuit Respondents' brief to be filed in case the negotiations did not bear fruit.

29. This category also includes substantial time spent documenting portions of the settlement that were left open when the parties reached their agreement in principle.

B. Stay Pending Appeal (Matter 002)

Summary of Hours Billed		
Timekeeper	Hours	Fees
Matthew J. Gold	178.05	\$178,050.00
Steven R. Popofsky	59.90	\$48,519.00
Robert M. Tuchman	74.45	\$52,859.50
Juliet Remi	12.25	\$2,266.25
Total:	324.65	\$281,694.75

30. Time billed to this category corresponds to tasks performed in connection with motions for a stay pending appeal of the confirmation order both in this Court and in the District Court. In addition to preparing briefs for use in both Courts, the services for which Kleinberg Kaplan seeks allowed compensation and reimbursement within this category include preparing for and participating in hearings before this Court and the District Court, conferring internally and with opposing counsel, negotiations to resolve the stay issues in whole and in part, reviewing submissions made by other parties to the Chapter 11 Cases, and performing research.

C. Committee of Appealing States (Matter 003)

Summary of Hours Billed		
Timekeeper	Hours	Fees
Matthew J. Gold	342.05	\$342,050.00

Maria Espinosa	6.2	\$1,147.00
Juliet Remi	71.55	\$13,236.75
Total:	599.2	\$483,939.25

31. Time billed to this category corresponds to tasks performed in connection with the States' appeal of the Confirmation Order and billed separately pursuant the Appeal Representation. The compensation and reimbursement for which Kleinberg Kaplan seeks allowance within this category covers a range of tasks related to the appeal, including the drafting and filing of appellate and reply briefs, coordination with co-counsel, conferring with opposing counsel and with the U.S. Trustee (among others), performing tasks related to the record on appeal and appendix, preparing for and participating in conferences and oral argument before District Judge McMahon, and preparing several supplemental submissions at Judge McMahon's invitation.

ACTUAL AND NECESSARY DISBURSEMENTS

34. Kleinberg Kaplan has disbursed \$89,448.01 as expenses incurred and recorded in providing professional services during the Compensation Period. None of these expenses exceeds the maximum rate set by the Guidelines. These charges are intended to cover Kleinberg Kaplan's actual and direct costs, which costs are not incorporated into Kleinberg Kaplan's hourly rates.

³ At the time in 2019 when this work was performed Kleinberg Kaplan had not yet established a separate matter relating to the injunction Adversary Proceeding. Because that time is thematically linked to the subsequent matter 4 it has been combined with time entries in matter 4 for the purposes of this Application.

35. Kleinberg Kaplan respectfully submits that the actual expenses incurred in providing professional services for which reimbursement is sought in this Application were reasonable and justified under the circumstances.

THE REQUESTED COMPENSATION

36. The Settlement Approval Order provides that Kleinberg Kaplan's reasonable and documented fees shall be subject, *mutatis mutandis*, to the procedures with respect to authorization of payment of the fees and expenses of the professionals of Purdue and the Creditors' Committee set forth in the Interim Compensation Order. Accordingly, while this Application is not made pursuant to or strictly governed by sections 331 and 330 of the Bankruptcy Code, Kleinberg Kaplan has been guided by these Code provisions in making this Application. Under section 330, made applicable to the interim compensation of professionals by Section 331, in "determining the amount of reasonable compensation to be awarded, the court should consider the nature, extent, and the value of such services, taking into account all relevant factors, including:

- a. the time spent on such services;
- b. the rates charged for such services;
- c. whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- d. whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
- e. with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and

- f. whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.”

11 U.S.C. § 330(a)(3).

37. Kleinberg Kaplan respectfully submits that it has satisfied the requirements of the Settlement Approval Order and section 330 of the Bankruptcy Code as they may be applied to the Application through the Settlement Approval Order. The services for which Kleinberg Kaplan seeks compensation in this Application were necessary for the adequate representation of Washington and the other States and are amply documented in, among other places, Exhibit E. Kleinberg Kaplan’s request for compensation is reflecting of a reasonable and appropriate amount of time expended in performing such services commensurate with the complexity, importance and nature of the problems, issues and tasks involved. The compensation sought by Kleinberg Kaplan is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than those under the Bankruptcy Code, and are comparable with other similarly qualified legal advisors appearing in this and other Chapter 11 cases. For all of the foregoing reasons, Kleinberg Kaplan respectfully requests that the Court grant this application.

SUPPLEMENTAL DISCLOSURES REQUIRED BY THE U.S. TRUSTEE GUIDELINES

38. Pursuant to Section C.5 of the U.S. Trustee Guidelines, Kleinberg Kaplan’s hourly rates for bankruptcy services are comparable to the hourly rates charged in complex chapter 11 cases by comparably skilled bankruptcy attorneys. In addition, Kleinberg Kaplan’s hourly rates for bankruptcy services are comparable to the rates charged by the firm, and by comparably skilled practitioners in other firms, for complex corporate and litigation matters, whether in court or otherwise, regardless of whether a fee application is required. By way of example, Kleinberg

Kaplan's blended hourly rates for professionals and paraprofessionals for all sections of the firm as of January 2022 are set forth on the attached **Exhibit A**.

39. The following statements address the information required pursuant to Section C.5 of the U.S. Trustee Guidelines:

- a. During the Application Period, Kleinberg Kaplan did not agree to any variations from, or alternatives to, its standard or customary billing rates, fees or terms for service pertaining to this engagement, except as described herein.
- b. Kleinberg Kaplan did not prepare any budgets with respect to the compensation for which allowances sought for this application.
- c. None of the professionals included in this Fee Application varied their hourly rate based on the geographical location of the bankruptcy case.
- d. This Application does not include time or fees related to reviewing or revising time records or preparing, reviewing or revising invoices, outside of reasonable fees incurred in connection with preparing the Monthly Fee Statements and this Application.
- e. This Application includes limited time and fees incurred for reviewing time records to redact any privileged or other confidential information in connection with preparing the Monthly Fee Statements, totaling less than \$2,500.
- f. This Application covers a period of approximately two and half years during which time the Firm increased the rates charged by its professionals and paraprofessionals in the ordinary course. The rates charged by various professionals each year are identified in Exhibit B. Washington reviewed and approved those rate increases in advance.

40. Kleinberg Kaplan has not previously applied for payment of fees or reimbursement of any disbursement during these cases, except for the Monthly Fee Statements.

41. Kleinberg Kaplan does not hold a retainer in respect of its services as co-counsel to the States.

42. In accordance with Section 504 of the Bankruptcy Code and Bankruptcy Rule 2016(a), no agreement or understanding exists between Kleinberg Kaplan and any other persons for the sharing of compensation received or to be received for services rendered in or in connection with these cases.

43. No agreement or understanding prohibited by 18 U.S.C. § 155 has been or will be made by Kleinberg Kaplan.

44. Notice of this Application has been provided in accordance with the Interim Compensation Order. Kleinberg Kaplan submits that no other or further notice need be provided.

45. Kleinberg Kaplan reserves all rights and claims. Without limiting the generality of the foregoing, Kleinberg Kaplan reserves its rights to submit future monthly fee applications, interim fee applications, and final fee applications, including, without limitation, fee applications seeking final allowance of all amounts sought to be paid or reimbursed herein and in respect of any amounts held back pursuant to the Interim Compensation Order or otherwise.

WHEREFORE, Kleinberg Kaplan respectfully requests (i) interim allowance of compensation for professional services rendered as counsel for Washington and the States in the amount of \$2,434,808.70 in fees for the time period September 16, 2019 through and including April 30, 2022, and (ii) and interim allowance of reimbursement of actual and necessary disbursements incurred and recorded by Kleinberg Kaplan in the amount of \$89,448.01.
